

Donna	Clinton	95403	There MUST be diversity in the media so ALL points of view are heard! There have been too many times when only one point of view is heard, and the facts were not always truthful! And a talk show should take all callers, not just a select few with the same opinion as the host.
BILL	WEBB	02151	we lost our talk station in boston.you should not loose yours.and we need help getting ours back.
Constance	Hansen	43125	I want my Progressive Talk!!!!!!
colette	caffey-mcmahon	61242	I have lost my progressive show also, It was AM1270 and I really miss big eddie. I love the show and desperately want it back. I was listening on weekends also.
Willis	Bennett	95628	JUST say NO to reich-wing radio. Ohioans deserve better. After some draconian anti-gay legislation in Ohio, I and my company moved to California. I'm glad some good people are staying and fighting.
Rhonda	Burnaugh	43035	Apparently someone hasn't noticed that Ohio recently became a BLUE state? We, the people, want to listen to opinions other than Rush Limbaugh and others that support the radical conservative agenda. What happened to freedom of speech? The right to dissenting opinions? What happened to the 'other'America!
enid	rosenstiel	43235	
JOHN	LEY	44709	THIS IS A BIG MISTAKE
MARC	LARA	43068	WE NEED A FAIR AND BALANCED MARKET.NOT A"MONOLISTIC"ONE!
Chris & Elsie	Havens	80110	You may not understand that the trend to the right as supported by the media is coming to a grateful end. If you make this change to eliminate the progressive voice, we sincerely hope that the mistake will quickly become economically and detrimentally apparent.
Jim	Kightlinger	45152	Our voice is gone in Cincinnati. Please don't let it happen in Columbus as well.
lawrence	dieker	43220	progressive radio is important to columbus, ohio
Cecile	Powell	60193	Keep Progressive radio on the air. We have heard enough of the Right Wingnuts and their hatemongering. Besides, there are more Democrats than Republicans and more people will purchase your products. Besides, Americans want to hear both sides of the issues. Thank you, Cecile
Natalie	Khoury	43214	
Joanna	Samuelson	43213	
Shirley	Anderson	87106	Air America (Progressive Radio) has helped me keep my sanity with its independent facts radio talk. Mike Malloy, articulate historian, (unfortunately tired for daring to speak the truth about the US Israeli PAC and Israel's bombing of Lebannon), Thom Hartmann, articulate historian & writer, Randi Rhodes, who took on CACI & won, Sam Sedar, who articulates what Congress is up to so we can take action, Ed Schultz, union backer, Al, on USO tour, comic writer & future Senator). Everyone can speak!Truth!Fair!Balance!
Stephanie	Burley	43202	I love progressive radio and this is our ONLY station in this market. Don't switch formats!
Gene	Derig	98221	Dear Folks, As retirement age citizens, my wife and I intend to do some traveling. If Ohio can't have Progressive Radio on, then we will bypass that state and travel the states where progressive radio can be heard. If you can't be progressive, we won't be spending our money on the way through. Thanks for your time. Gene and Marilyn Derig

Luke	Edwards	43212	Clear Channel now will provide two more hateful commentators in Laura Ingraham and despicable Michael Savage who calls Jimmy Carter an Anti Semite (the man who won the nobel peace prize). I will boycott Clear Channel and buy a satellite radio because they seem to want to have a One Sided radio station. I hope people realize how hateful those two people are that they are putting on there. TO READ MORE OF THERE HATEFUL COMMENTS GO TO MEDIAMATTERS.ORG
Laurie	Dewey	45387	We need progressive voices on the airwaves to keep our democracy. I need 1230 on in the morning drive to keep my sanity.
Theresa	Whitney	43074	Keep this important programming on the air!!!!
m.a.	Johnson	43201	
Mike	Gold	43229	
Joyce	Leahy	43235	America's Last Non-desperate Housewife just got desperate! The last thing Columbus needs to subjected to is the insane rantings of Michael Savage (nee Weiner)! Keep Stephanie, Al and Big Eddie on the air in Columbubs!
Mark	Rutkus	43215	We are encouraging as many people as possible to sign this petition.
Amy	Atwell	43212	it's not that clear channel "cannot sell" progressive radio...they just aren't trying. the hosts they are eliminating are some of the only truthful, level-headed and/or logical people on the air. please keep them.
Mick	Arnett	43230	There is no excuse for this sellout-keep those shows on!!!
Robert	Test	43229	The majority of people in the is nation just voted out the conservative "stay the course" neanderthals in Congress. It just makes sense that radio stations would begin to reflect this change. Please, try to keep reality in
Tracie	Jones	45042	moved our Air America affiliate here in the Cincinnati area. I no longer listen to talk radio since it is gone, I'm back to my CDs, soon to go to satellite radio, I guess. How about offering the majority of Ohioans, who voted for Democrats, something to listen to?
Anonymous	Signer	10024	I can't do my job unless I can hear open-minded progressive talk radio, too. My time in Ohio would be wasted without it. I see no need to increase coverage of sports or financial investing in the media anywhere. If it takes a show of more support of progressive radio's sponsors, just post the links and I'll shop and spend money. I'd also join any boycott of radio's prejudiced hate-mongers.
Karen	Hjelm	43221	Please keep Progressive Talk Radio in Columbus. It is the simplest way for me to hear the truth about what is happening in our country today. I listen to it all day at work as well as any time I can. I especially want to hear Stepahnie Miller, Ed Schultz and Rachel Maddow. Stephanie and Ed are not part of Air America and are not having financial problems. Please do not take this important voice away from the huge progressive community in Columbus. I have fought so hard for Progressive candidates - now you are denying us the most important voice on the radio for progressives. Please reconsider this horrible decision.
Heather	Cornelius	43202	In order to represent everyone, all sides should be available to listeners. Pulling progressive radio off the air is no way to go about this.
PEnny	Rauzi	43028	
John	Royce	77042	It is becoming clear that this killing of liberal talk radio is a push to stifle public opinion. Stations have been shut down in Dallas, Boston, and Cincinnati. The fact that popular liberal talkers are being replaced by right-wingers shows a clear bias. It is understood that the powers behind radio wish to propagandize our nation through the public airwaves. This tactic of closing down solid stations in liberal areas is overt corporatism.
Bernard	Pontones	43201	

Lou	Briggs	43085	I have had only WOSU radio station to listen to in the past and I MISS HAVING MY PROGRESSIVE RADIO STATION! I rarely purchase anything by listening to TV or Radio promotions, BUT, I would gladly purchase material advertised on Progressive Radio. Why do we have Russ Limbaugh and noone to counter his garbage and out right lies. Don't do this to us. Please put the Progressive Radio back on for all those that do not agree
Phillip	Favrot	45240	Please return Progressive Talk Radio to the tri-state area. I will continue to support its sponsors.
John	Belche	02767	I am not in Ohio. I HIGHLY recommend you contact ALL advertisers past and present of the station and let THEM know you will NOT be listening and indeed, protest those who promote censorship. My biggest complaint is not right wing programming, but the LACK of balance on the same channel! Out of 24 hours of right wing programming, find at least 3 hours for Big Ed
Chad	Catlett	43202	I will be buying some advertisement time and donating it to local businesses. The way to hit these bastards is in the wallet.
barry		92677	It looks like Clear Channel Radio is trying to get rid of lib talk in Ohio w/ their friends in the Republican party in November. First they dropped lib talk on their Cincinnati station WSAI, and now they are planning to make a similar switch in Columbus. They must be stopped.
M. A.	Martin	93401	Good luck
Jane	Larson	43203	Keep "Air America" on the radio in Columbus -- we need Progressive views, not more far-right-wingers!
Peggy	Detmers	57702	I am concerned that the conservatives seem to have a stranglehold over the news - to the point of it being propaganda rather than journalism. We NEED progressive talk radio. Anything less from a news source is simply unprofessional and fascist.
Jason	Darfus	43221	I'm 31 years old and the first time I ever became a regular listener of AM radio was when a co-worker told me about AM1230 WTPG. I'll be back to FM and my iPod if this station changes format. You'll definitely lose this listener. I might check in from time to time just to see who's advertising on the new WYTS just so I know where NOT to spend my money.
cherie	richards	43065	I want Air America to stay on 1230 AS IS!
Joani	Moore	43147	I am a regular listener of Air America. There are enough neo-conservative radio talk shows already. Progress Radio is the present and future.
Jeremy	Glutz	43081	Ed Schultz is apart of talk radio in Columbus, Clear Channel's decision to single him out and take one of the most influencial individuals in Progressive Talk radio off the air was perhaps the dumbest move that could have been made. Give us Ed Schultz back and you'll have listeners back, otherwise forget it. Clear Channel is nothing more than the voice for the radical right and those who wish to continue to take away the freedoms and liberties of those in this country who don't believe what they believe.
Sharon	Whitten	43125	
Karen	Peeler	43085	WTPG- 1230 is the ONLY radio I listen to now for nearly two years! they are a breath of fresh air amidst all the drivvel! How can you change it to subject mid-Ohio to more drivvel?! DON'T DO THIS! I am sad and
Carol	Ray	43035	My next step is to ask my Congressional Representatives to look into Clear Channel's complete ownership of the airwaves. The airwaves are owned by the people and need to reflect the local political makeup SOMEWHERE on the dial:
Michael	Piteo	43035	
leah	piteo	43035

Andrew	Wetz	43026	Unbelievable! You really need to fire the sales team you have in place that wasn't able to sell this programming. Goodbye local radio, Hello XM.

Beth	Webb	98026	Every city and state should have a progressive radio station. There are both sides to every issue and both sides should be able to state their points of view. Progressive radio does "sell". Radio media is a very essential part of a democracy.
Paul and Candy	Powell	34138	WANT TO HEAR THE TRUTH !!!!!
M.	Liebling	87015	<i>As an ardent supporter of independant ideals, having another right wing forum seems to be an easy way to go. If you feel that appealing to a truly uninformed, low intelligence segment of America is where your bread and buner is, then I feel sorry for you. (Clearchannel) As someone who advertises on Clearchannel in my home area, I am considering changing to another. The Democratic party is on a true upswing and if you cant see that, you'll be missing out on some serious revenue.</i>
Jim and Virginia	Wagner	43081	We are looking to purchase satelite receivers to avoid this sort of bushit.
Margaret	Torres	92009	Dear Sirs, Please keep the progressive format. We need progressive radio to balance the dominant media perspective. Thank you. Sincerely, Margaret Torres
mike	Swinchoski	02472	
James	DeMichael	92509	Surely this is a right wing conspiracy. Hopefully the now democratic control of both houses enforces the fairness doctrine. This may, perhaps, help them move on this now, rather than later.
Joseph	Gentilini	43026	Please do not get rid of Air America. It is the only radio station on the air making any sense!!!!!!
Laura	Carroll	43026	Don't we have enough Right wing talkers in this city?
Timothy	Murray	43213	I have listen regularly since moving back to Columbus from New York City over a year and a half ago. I am was very proud that Columbus had a progressive radio station. I hope that Clear Channel will respect and respond to the voices of Progressive 1230 like they did to the voices in Madison Wisconsin recently and reconsider their decision. We listen to Progressive 1230 and support their sponsors. Timothy Murray Columbus
Robert	Dean	43230	I found WTPG to be a breath of fresh air. I am disappointed that the format/content of this station is changing.
Vicki	Whalen	43212	I'm mad. I love the progressive radio station and have supported some of their advertisers.They speak for me....!!!!!!

Ernest	Gagnon	03103	Clear Channel STOPPED BOSTONS PROGRESSIVE TALK DEC 22 2006.. DONT LET IT HAPPEN HERE.. PLEASE TELL Clear Channel YOU CANNOT PUSH THESE REPUBLICAN FOOLS ON YOUR RADIOS.. BRING PROGRESSIVE TALK BACK TO OHIO AND HELP START A GRASS ROOTS CAMPAIN LIKE THIS IN BOSTON TO BRING BACK PROGRESSIVE TALK TO BOSTON!
Scott	Nelson	43202	Please keep AM1230 PROGRESSIVE!!! Neo-con conservatives have their own place in AM, we need ours! There must be balance in the force!
Amber	Williams	43085	
Keith	Shiban	43081	It's not like there's a shortage of conservative voices on AM radio. If WTPG switches formats I will stop listening to AM radio, period.
Jason	Adams	01101	Im from MA.. And according to Clear Channel they took Bostons progressive talk off the air because it was not popular.. COME ON IN BOSTON! This is Clear Channels way to push their views on the people.. Dont let this happen to Ohio like it has in Boston.. Please stop this.. Help people in boston to start one of these. Our station just disspeared and replaced with Romba.. Please help stop this..

Kirstin	Michalski	45324	I could barely pick up the Columbus station, WTPG, as I live 50 miles west of Columbus but I would muddle through the static any day over the crap on right-wing radio. It's time for progressives, Democrats, whatever you want to call us to be heard- ON THE RADIO!!
			<i>Hannity</i> are bad enough but <i>now</i> Clear Channel wants to add some extreme right wing hate mongers. NO THANK YOU CLEAR CHANNEL!
Cindy	Solesbee	28734	It would make bad business sense not to have progressive radio in Ohio. All types of people with different political leanings listen to progressive radio, while only the far right neocons have the stomach to listen to the likes of Jim Quinn and Michael Savage. I would never listen to those hate
Willam	Jasper	09590	CLEAR THE AIR WAYS OF Clear Channel! TIME TO TAKE A STAND IN OHIO AND OTHER PLACES WHERE PROGRESSIVE TALK IS UNDER ATTACK.. ONLY YOU CAN STOP THIS..
Annelle	fisher	45030	I want Progressive in Cincinnati and here in Ohio. I want WLW's people off the air.
Joan	Stephan	92078	Progressive radio is important and urgently needed in Ohio and all other states in order that citizens can learn the truth about what is happening politically in the USA.
Linda	Russell	94931	Diversity of opinion in every part of this great country is necessary in order to maintain a healthy democracy. I urge Clear Channel not to change the format from progressive talk radio.
Erik	Heidemann	43202	I just spent \$\$\$ at the business of a 1230 AM advertiser!!! If Clear Channel says bye-bye to progressive talk, I say bye-bye to 1230 AM.
Donnie	Singleton	45424	
Nancy	Walton	43085	Ohio people. Just heard clear channel wanted to do the same in Madison Wisconsin...the people rebelled and Wella, Al Franken lives on. These right wing nuts suck, big time. Good luck.
ray	black	94015	there is a lag-time for progressive radio to deliver consumers to the bottom line of radio stations, but we need to get started now. i myself try never to buy things made in a red state, even if it costs more to buy from a blue state. this is an opportunity for ohio to prove me wrong; that they can be progressive too.
Roy	Earle	77092	We need more Progressive Talk Radio not less. Clear Channel dominates the airwaves here in Houston, Texas. The airwaves are saturated with Right Wing talk which has only gotten worse since Nov. 7. I get two hours of Ed Schultz from 8-10pm here on the local AM; sometimes. My only other chance to hear Progressive Talk is on the internet. Good luck in Columbus.
Stephen	Rosenstiel	43235	My car radio is always tuned to Progressive. It's a unique product that caters to an increasing number of Central Ohioans. Please reconsider your decision to pull it from the airways.
Mary Alice	Hamnett	43212	It's the only radio station I ever listen to!
BUD	ANSTADT	56547	Having listened to ed do live sports for yrs none better. Also when ed was a conservative talk host I heard him change HE has always tried to get both sides of a position after he started to listen to the regular folks in ND. WE need the likes of ED.
Jamie	Hart	43221	
George	Bodley	96734	While I don't listen to progressive radio in Ohio, I do listen to it more or less 24/7. It's important that Ohio keep its progressive radio voice because Ohio is important to the nation. There have been many reports of voting poll manipulation in Ohio, and dropping progressive radio in Ohio is just another way to manipulate the vote.
Courtney	Henderson	43017	
Linda	Mercadante	43085	This is not a totalitarian state...or is it? How can you silence the few progressive voices (or maybe this is the only one) in Central Ohio? You should be ashamed of yourselves. What happened to our democracy?

arbara	Comeaux	43229	
herry	veazey	43113	Progressive radio has been a breath of fresh air to talk radio in Ohio. You must reconsider a format change at 1230. We want to keep progressive talk radio in Columbus.
ancy	melia	33498	
yle	Burmeister	53704	The past elections proved Progressives are alive and well in Ohio. Keep up the fight. We can't be silenced.
ristin	whitaker	43016	1230 provides balance, we need balance.
rt	Ponce, Jr.	92069	
ill	Blinn	43085	Ed Schultz was like a breath of fresh air. Instead of the fetid druggie Limbaugh, we had somebody who could actually think. What a concept! Apparently thought is too radical an idea for Clear Channel to comprehend. During the summer, they preempt at least one show per week with boring baseball and then they have the gall to say that their sales people can't sell it! Clear Channel's sales team couldn't sell paper bags to grocery stores! Terrestrial radio continues to commit suicide. As for me, I've gone back to listening to NPR and Bob Edwards on XM. We can still get Schultz via podcast, so who needs Cheap Channel.
lary	Raiford	43147	The only talk radio I listen to is WTPG. The hosts Stephanie Miller, Al Franken et al. are funny and insightful, and offer analysis that I don't hear on regular news outlets. I am profoundly disappointed that this programming may disappear and I will not listen to the replacement.
ori	Scoby	43204	I listen every weekday. Stephanie Miller makes my day! And bring back Ed Schultz.
evin	Manley	98404	Please keep progressive talk alive. Right wing talk did not start strong it grew. We all want to grow progressive talk with the truth and without lockstepping. Thank you.
ip	Winans	97239	
/anda	McEntyre	43235	I want my Progressive Talk Radio and I want Ed Schultz back!!!!!!!!!!
teve	Creason	91001	The potential return on progressive talk is much higher than throwing in with the already saturated conservative talk market!
eborah	McClay	43110	A sadness & weight lifted when I discovered Stephanie Miller, Al Franken, Ed Schultz & Rachel Maddow. I truly believe that the recent results in the election was due to the energy generate We W because in a TRUE democracy ALL voices are heard. If Ohio is "turning blue," [I believe we're finally escaping "the blues" & waking up to see the sun], then the majority, as well as the minority, need to be heard. NO OTHER station is filling this void !!
hirley	Royer	43110	
onald	Gaggiano	92692	The efforts of Clear Channel, WTPG to quiet the views of progressive ideas by removing ALL THE PROGRESSIVE PROGRAMS (Stephanie Miller, Al Franken, Ed Schultz, Randi Rhodes and Rachel Maddow, Columbus will be subjected to the likes of Jim Quinn, Laura Ingraham and Michael Savage) YOU PREVIOUSLY CARRIED is an abus Ohio citizens you station license requires.
aura	Selesky	60451	The people of Ohio in the last election voted for Democrats. Leave our audience!
alvatore	Impalli	80238	Clear Channel, your radio listeners in Ohio are entitled the Progressive Radio like the Ed Schultz show that are enjoyed by similar radio listeners in the state of Colorado.

Lou	Peters	43202	I first heard Progressive radio when I visited a friend in New York City in 2004. When I found out we were getting it in Columbus I was so thrilled. I listen to it every day and find the views expressed on it so refreshing and hopeful in this dark time. We need progressive radio in Ohio. I know I will not listen to the new Talk 1230. I am so sad this has happened here in
Rachel	Ruhland	415420	
P.Thomas	Harker	43113	I can't believe that such a worthwhile, thoughtful format will be replaced by the likes of Mr. Savage et.al. Please reconsider.

terry	grange	3334	Please keep the old 1230 format.
Dorri	Steinhoff	3209	This was the only radio station I have tuned in my car and home. I switched to cds when sports came on.
mafori	moore	0039	Having experienced the lost of our AAR station in Atlanta last summer, I know how the Ohio audience is suffering. Clear Channel, give OHio majority back their progressive radio - and make money at the same time! Or are you simply in the business of propaqandizing the talking points of
Jody	Scarborough	43221	
nick	kritocos	92021	
David	Gibson	43015	This is a mistake! There are plenty of other stations currently playing a right-wing format. You will be competeing with an over-saturated market that is geared toward the minority right. By staying the course you are guaranteed to hold the entire audience as there is no other channel on terrestrial radio playing shows like Stephanie Miller, Ed Schulz, and Al Franken. These comments are pointless as your decision is likely motivated by money that comes from the right. Your main interest here is preventing people from heraring opposing views. The truth will get out and gradually people will continue to see the many flaws of the current admnistration and the corruption that runs rampant on their watch.
Kelsey	Scarborough	43221	
Tim	Scarborough	43221	
Adrian	Munt	43110	We need an alternative voice to the RW nutjobs that frequest our airwaves. PLEASE consider keeping at least some of the shows. There IS a market for these shows if they are marketed and managed correctly!
Keith	Hanlon	43204	
sarah	Blumenfeld	43209	
Nancy	Grimes	55337	What is happening in these markets? Is there an aspect of retribution by these station owners because the election did not go their way? Congrat to Madison and good luck to Columbus in their efforts to keep progressive radio in the area.
Douglas	Grether	44203	
Jason	Poe	43212	There are people out here (In Columbus) that listen to progressive radio and will buy from companies that place ads on 1230. Like anything it must be given a fair chance. I know of plenty of people who have staned to listen just recently because word of mouth is starting to spread about progressive 1230. The people who run things in the radio business needs to get off thier butts and make this work because it is cutting edge. Right Wing radio has peaked and is on a decline. Progressive radio will be the next BIG thing in radio and how stupid you will look when you had the chance to be pioneers and instead chose the same old same old. GO ahead invest in wax because it is safe, forget the light bulb. REAL SMART

Joanna	Nahay	43026	I have been listening to Progressive radio for over a year and keep my home and car radio tuned to 1230 am. Progressives have a right to be heard! I, for one, cannot stand to even watch the likes of Fox "news." I have also supported several of the advertisers and have also promoted them to my family members. Stephanie Miller keeps me laughing and makes my mornings special. Rachel Maddow, Al Franken and Ed Schultz have made me see that my political viewpoints belong in America. PLEASE do not drop progressive radio in Columbus.
Judith	Custodio	43065	I will NOT be listening to Laura Ingraham and crowd. Every day, I listened to 1230. There needs to be a choice in radio. It's already too one sided.
Nancy	Wright-Horning	43202	
Malcolm	Spence	43017	
Michael	Toth	43068	Why switch from a market with no format competition to a market that is already flooded with competition? I listen to progressive hosts Thom Hartmann, Randi Rhodes, Peter Collins, Mike Malloy, the Young Turks, Stephanie Miller and all of them get a good number of calls from Columbus. So, apparently someone is listening.
mike	tabrizian	75023	
Reed	Webster	05101	Please give the listeners what they want...period.
Charla	Snyder	43017	I am hearing rumblings that you will be getting rid of progressive radio in Columbus. I just want you to know that I listen only to 1230. I support the advertisers on that channel. The only time I don't have it on is when you are airing a sporting event. I'm not big on those. I wish you would preempt Rush Limbaugh with the games once in awhile. I do not, and will not listen to 610. If you do away with the current 1230 format, I will stream progressive talk as long as I can on my computer. It is a sad day when the views of everyone cannot be heard in this country. Rush Limbaugh is, in my opinion, the father of hate radio. He has done more to damage the bipartisan nature of our country than anyone in history. And yet he blathers on. I just don't get it. Please reconsider. I have a CD player in my car and my home. That will be my listening choice if you do away with progressive talk. <u>There is no way I could go back to listening to anything else. Thank</u>
Gave	Brown	45440	We demand that you keep Air America radio on the air in Columbus. A progressive radio station is needed in a democracy so that all sides of an issue are heard--not just one. That's why we are in the Iraq quagmire---there was not enough press covering the other side. The Air America station in Kentucky I used to listen to no longer carries Air America. Dont stifle free press--leave Air America on the air!
ernard	Broering Jr.	45233	When I travel north of Cincinnati, I listened to the nearest Progressive Talk stations, including Columbus Prog Talk 1230. Several of the advertisers are common to those I have heard in Cincinnati and I do prefer to do business with them, however I have been quite dismayed at the whole situation and I have been reconsidering my purchasing habits. Cincinnati radio has let me down. And now I see it is not just a problem in my city, but the whole state of Ohio. This problem needs to be addressed. The problem is not the "selling of airtime on shows" but it appears to be the mis-managing of sales on airtime, poor product, dead air, and a lack of drive to gain sponsorship for the product by the owners and poor corporate advertising by the station ownerships. <u>Shamefull. simply shamefull.</u>
o Anne	Karasek	45230	We need the progressive talk shows in Cincinnati and Columbus, Ohio, restored. The Soviet Union allowed one side of an issue on radio. In this country we need both sides available.
n	lambert	43017	We require all points of view- Columbus is a not a cow town!

Adam	LaPoint	43017	PLEASE PEOPLE WHO VIEW THIS SITE, HELP PROTECT THIS PROGRESSIVE TALK STATION AND OTHERS, WE LOST BOSTON, WE NEED TO STOP THIS, BRING BOSTON BACK AND PROTECT OTHER STATIONS. STOP THE FLIPPING. SHOW THESE STUPID STATIONS THAT WE WANT PROGRESSIVETALK..THIS IS GREAT WE HAVE THIS WE NEED TO WORK AS A COUNTRY TO STOP THIS.. WE NEED YOUR HELP PLEASE.. PLEASE.. LET PEOPLE KNOW. PROTECT THIS STATION AND OTHERS. HELP THE ONES WHO FELL COME BACK.. WE LOST BOSTON BUT WE CAN GET IT BACK.. www.bostonprogressivetalk.com is now a romba station.. please people, sign and lets get this going for other statoins!!!
wade	riley	43125	It does not make sense that a radio station would choose to change formats after the election told them what format they wanted. More and more listeners want to hear the truth not spin and lies from the mouths of people such as Savage and Ingraham.

You will not control the press forever and your abuse will cause a backlash. You will be seen as an accomplice and a collaborator. Maybe not this quarter but if you take a moment from your self-indulgent power trip and read a little history, you will surely reconsider your format change.

Save progressive talk.. Show the republicans and the litte puke who is wringing trash on this very good website that this is no joke this is for real!
Jack	Wackernagle	43204	I am saddened by Clear Channels misguided decision to pull progressive radio out of the central Ohio market. Obviously they don't listen to the news that Central Ohio is a progressive area and deserves to be provided at least one station that doesn't pander to the base and destructive mind set of the current administration. I will listen to the new Talent" just about as much as I do rush limbaugh.....never!
Bill	Lugli	43204	HUSH RUSH! CLEAR OUT Clear Channel! we need progressive talk..

Lynn	Marcellino	43209	I sincereley hope you will reconsider pulling air-America off the market. It is the only progressively oriented show that I know of in this area. You don't have to krrp Al Franken, he has good guests, but he's too full of himself! At a time when the non-corporate world needs a voice, Air America is the voice of the future. Surely uou can see which way the political winds are turning - give the people the mic(rophone). Neo-cons are all over the airwaves, why not take up the challenge and publicise a competition for the public ti make their voices be heard, and run a competition between advertisers! The left is the wave and the money/market of the future. Tell them its time to put up or shut up!
peggu	krea	45503	Enjoy clear channel while you can..dems should do to you what you are doing to them.you force feed right wing crap down my throat..Well It doesnt work like that..I refuse to listen to hate right wing rad o.. As if rush, and hannity and fox lies are not enough for you..Hope you lose your shirt..shame on you for sinking to KKK level of radio..

Anne	Blatherwick	43224	This is crucial for engaging Ohioans in the political process. Keep a voice for progressive Central Ohio - the majority.
roy	vanderhoof	197229	
Marty	Moore	43748	I feel Like I'm living in Oceana. The only dose of reality has been shows like The Stephanie Miller Show and Ed Shultz. 1230am won't get better ratings from a right wingnut format. The airwaves are already saturated with that type of format. We need a sane reality based station with enough power to reach 100 miles +from Columbus Ohio. I guess Ohio is getting too blue for the powers that be. Their only hope is to silence the truth by taking away our progressive format and try to indoctrinate listeners with the party line. It remind me of what I was taught in school about the Soviet system.
April	Ewaskey	90809	Give me my progressive radio!!
christine	Task	43210	I think it's important to have both sides represented. We have no shortage of far right talk radio. The far left deserves its station too.
Bev	Campbell	43230	Progressive radio has never been more crucial here in Ohio to balance the ultra right echo/spin machine.

Peggy	Pflager	94597	I'm currently living in California, but return to Ohio on a regular basis. I will be living in Vinton county on property that my family is leaving to me. Progressive radio is needed. If conservatives are so sure their opinions are correct, what have they to lose? Don't the airwaves belong to the common good? We are that common good, and we want progressive radio.
Richard	Bryant	43214	
deanna	dennis	43068	I can't believe the format is changing. I love Stephanie Miller, Al Franken, Ed Schultz, Randi Rhodes and Rachel Maddow. I always listen.
Sandra	Krueck	44136	I am so sick of the right wing saying that the "LEFT" gets all the coverage. Not true! I am tired of sports and the Medveds and Limbaughs dominating the airwaves. We MUST be able to hear the other side. This is a blatant challenge to our freedoms. Keep the Progressive station on the air!
Melissa	Karas	43212	Please keep Air America!
KavLee	Mendonca	43026	I can't be forced to watch FAUX News without having my progressive outlet to hear the real TRUTH!!! Don't take away my sanivt!!!

li	ender	3215	As a small business owner and resident of Ohio, I am truly dissapointed to hear of your descision to change WTPG radio's format to Right-wing radio. It is unbeleivable to me and everyone I've talked to that this is a purely a business move and not idealogical or political. I am sincere in saying that because of this I will not be tuning in to your station other than to find out who is advertising on your station and then calling to inform them that I will purposefully be avoiding their businesses until they stop advertising on your station.
at	McMahon	5105	
Margaret	Wend	3202	The radio is overrun now with right-wing talk shows and central Ohio does NOT need another. If Air America leaves there will be NO progressive voice on the radio to speak for working people. That situation is unfair and un-American. Please do not change the format of Progressive Radio 1230.

J.C.	Nichols	3029	That this should happen after so resounding a Democratic victory in 2006, and in light of the highly questionable 2004 election that preceded it, is blatant corporatism and more of the same old same old. Watch progressive stream numbers soar and conservative radio ratings plunge, because citizens are sick of one-sided conservative blather, and the net/satellite wave has just begun to crest in preferred media status.
oderick	Briggs	3740	It's time for Clear Channel to recognize that not all listeners want to hear the perpetual rant of right wing propagandists. We have enough of that kind of endless chatter. Listeners need to hear other views. As a licensed station, WTPG has a public obligation to present a wide range of opinion on talk radio, sports, or whatever the main topic chosen. Thank you.

Kenneth	Fingeret	11714	Fascists need all mass communication at their disposal. This is one more step in that direction as this silences one more opposing voice. If people hear only one side then they have no reference to judge whether it is truth

Xavier	Casto	53744	True Progressives know that there needs to be a balanced coverage of ALL politicians. One can't expect the likes of Laura Ingraham or Micheal Savage to give a unbiased view of the new majority. Randi Rhodes, Rachel Maddow, Stephanie Miller and Al Franken have all shown they don't blindly follow Democrats and are willing to point out good things Republicans do. Ohio needs them, our Nation needs them. It would be a disservice to the listeners in Columbus to stop progressive radio.

Truman	Wilson	43235	To remain free, we must use our right of free expression. As the press becomes more of a tool to disseminate propaganda, Ed Shultz and progressive talk by offering a dissenting voice is never more important. The country was founded on religious freedom and freedom from monarchy and the ability to question leadership not just in one direction. We must maintain the voice of truth.

Michael	Murphy	43119	The public needs to hear a diversity of viewpoints on the airwaves in order to be able to have an intelligent, constructive, and well-round dialogue on the issues that we face in the world today. The WTPG format completes a spectrum of diversity when considered alongside WTVN and WOSU-AM. I spend some time listening to all three. If WTPG changes from it's current format to the proposed format, I will no longer have a reason to listen to WTPG as the new format will not offer anything not already available somewhere else.

Chris	Steele	43220	Progressive radio is critically important to balance the dominance of right wing talk
Marilyn	Welker	43078	How arbitrary and curious is this decision to change the format of 1230 AM! Clear Channel has not given and compelling reason to explain their dropping of Air America's program hosts, and this decision adds fuel to the fire that media consolidation is hurting citizens' access to divergent and diverse points of view!
Jean	Griffith	43143	I was listening to 610 on my way home from work the other night. I was still too far from Columbus to pick up the signal for 1230. You can imagine my dismay as I heard Dave Maetzold & the station's program manager discussing the program changes slated for WTPG ...as if central Ohio does not get enough of the right wing's point of view with 610's airing of Glen Beck in the morning, Rush Limbaugh in the early afternoon, and Sean Hannity in the evening. I was grateful for 1230 and the diversity of opinion it provided. I am baffled by Clear Channel's decision, especially in light of recent election results, not only in the greater Columbus area but also Ohio as a whole. The Columbus City Council is dominated by progressives; the Franklin County Commission is dominated by progressives. The idea that there is not a market for "progrssive talk radio" in Columbus is ludicrous. That evening, after hearing of the programming changes planned for WTPG, I determined that not only would I not listen to the new station as of 1/9/07 but also I will listen to WTVN and any other Clear Channel station only long enough to learn who their advertisers are and then inform those advertisers why I will no longer be giving them any of my business. 1460 the Fan can provide me with local weather and traffic updates as I need them. It has been and I hope will continue to be a beacon of hope to the Central Ohio listening area for years to come. Right Wing talk is pervasive in Central Ohio and there needs to be a voice for the middle and the left! Without PROgressive Talk the Right wins and America as we know it disappears. Please reconsider the decision to change your format and <u>continue to bring Central Ohio Air-America and Progressive Talk</u>

Expecially when you see in the last election Ohio is definately moving away from the conservative way of thinking. Stephanie Miller and Ed Shultz are the best two shows on talk radio bar none. I think clear channel needs to go back to Marketing 101. Marketing=finding out what customers want(obviously progressive talk radio due to the overwealming responce), then setting out to meet their needs (keeping progressive radio).

Chris	Cozad	43202	I gave up NPR for Air America - I can't believe that Clear Channel is pulling the voice of progressives from the Columbus radio market. Ohio, Franklin County and Columbus are Democratic strong holds. Pandring to the right-wing zealonts may bring short term gain - but in the long run- there are only a limited numbet of those folks and their money only goes so far. In the long run progressive talk appeals to many not just hard core liners, but middle of the road folks. Intelligent, thoughtful analysis is what people want, Critical thinking is becomoing a lost art and feeding the masses the mindless drivell of the likes of Michael Savage is going to back fire.

John	Wirchanski	43017	We need a variety of formats in Columbus and most of my friends rely on 1230 for political coverage. Ohio is turning blue and I feel we need 1230 to rise alongwith the rest of the State of Ohio to a new level of democratic ideals.
Jerry	Wallace	43065	Please keep progressive radio in Columbus. I listen to it for several hours each day. The vote in November 2006 showed that central Ohio is no longer a right-wing, conservative area. The majority of voters in central Ohio do not want even more conservative talk radio. steve	fung	97225	Progressive talk radio has been a successs in Portland. Our station, KPOJ, was the 3rd station nationally to carry Ed Schultz. We were the 1st large market to sign on with the Air America Group as well. Ratings have been great and the advertisers show no reluctance to sell their products/services. enda	purlock	43221	<p>To Program Management: My name is Brenda Spurlock and I HAD been a loyal listener of The Ed Schultz Show on WTPG, 1230 AM, in Columbus, Ohio since October of 2004. I am outraged, to say the least, that the show has been dumped from WTPG programming. I have spoken with the station program manager of WTPG three times and he claims that they have a contract with the Al Franken Show from 12-3 and that it cannot be broken. The 3-6 pm time slot has been filled with Randi Rhodes. I cannot believe that either of those shows is more popular with advertisers and listeners than The Ed Schultz Show, no matter what time slot it has! Columbus, Ohio MUST be one of the larger listening areas for Ed Schultz! (check the ratings) I believe that a program manager must be responsive to his listeners and, of course, an unpopular show is not going to pull in money from advertisers if no one is listening to it. That is basic math. It appears that WTPG wants Progressive Radio to fail (this sentiment was also voiced by the program manager of WTPG, Bruce Collins) and that removing Ed Schultz from the line-up is one way to do that. I vehemently protest the deletion! I suggested to the WTPG program manager that he play a delay broadcast of Ed Schultz from 3-6 and he replied that no one would listen to "old" news. I PROTEST THAT DECISION!! If asked, I certainly would prefer to listen to a taped delay broadcast of Ed's show as opposed to not having it broadcast at all! I think many listeners in the Columbus area would agree. Is WTPG (or whoever controls the Ohio airwaves) afraid that The Ed Schultz Show would win ratings over conservative untruths and spins from Rush Limbaugh (WTPG is also run by the same manager that airs Rush Limbaugh on 610 AM from 12-3)? At least Ed Schultz has unscreened callers daily and has as his mission to get the TRUTH out to the country about what is happening with those in power in Washington, DC. This country needs patriots such as Ed Schultz instead of propaganda and "spin" as is done with conservative radio and TV shows. Is Ohio radio afraid to let the truth be known about the feelings of middle-class America? This is about the voice of the PEOPLE and decisions that affect not only Ohio, but people across the nation. It is time for TRUTH, HONESTY, AND PATRIOTISM in these times of turmoil with war, US debt, loss of civil rights, inadequate leadership, etc. The voice of the PEOPLE needs to be heard and Ed Schultz promoted truth and the voice of ALL people! Please return his show to Columbus, Ohio and all of Ohio! Let Rush Limbaugh and Ed Schultz run at the same time and see who pulls the biggest ratings (if that is what it is about)! Or, at least give us a delay tape broadcast from 12-3 of Ed Schultz. What else can I do to get The Ed Schultz back on Progressive Radio in Columbus, Ohio? Please respond via my e-mail address: bspurlock@columbus.rr.com. I look forward to hearing from you. Brenda</p>

karen	cook	43204	Ed Schultz, Al Franken, and company made a difference in Ohio! The November elections are proof that once Americans hear another perspective, they make better decisions. I miss the opportunity to hear intelligent listeners speak out. And I miss Ed's candor and Al's wit--all while <i>getting great information! Perhaps satellite radio is the answer? Then, maybe, listeners will not subject to the whim(s) of conservative media</i>
Charles	Williams	43026	How can you justify not keeping at least one Progressive show? I will not listen to your new station nor will I support any of it's advertisers!
Milly	Asmus	43235	Progressive radio is vital for free speech!!! Right wing talk show hosts such as Michael Savage are obscene hatemongers.
carole	snyder	43201	I am completely discusted with the state of our local media (Clear Channel, Sinclair and Dispatch) here in Columbus, Ohio. It's hard to believe that we are a state capitol. And for being the largest populated city in the state... no provision is made for any diverse opinions, ideas and taste. This is what you get when you have an FCC that oversees and controls the public airwaves by allowing (promoting) larger and larger conservative media conglomerates. Every station begins to sound the same with repetitive hosts and syndicated shows. The radio is saturated with Clear Channel holdings, and with their stations on the high frequency channels, we often get their out-of-state stations (with the same programs, ie Savage from NY etc.). You can also hear Clear Channel programs bleeding through or completely drowning out other, weaker channels. NO ONE SEEMS TO BE PAYING ANY ATTENTION EXCEPT ED...HELP...PLEASE.....

I really hope that WTPG reconsiders, but whatever, this is yet another reason to get Sirius and pay for a service I want to hear (like Howard Stern) instead of being force fed something I don't.
Kate	Anderson	8232	I live in Washington State. but I believe so deeply in progressive radio that I am more than ready to support progressive radio nationwide. I select those I do business with from advertisers on progressive radio. By maintaining and aggressively promoting a progressive radio format, WTPG's advertisers have access to a NATIONAL audience as dedicated as I am to support them, through online and phone sales. Maintaining progressive radio is simply the best business case.
Ed	Herderick	3147	I enjoy getting info as opposed to talking points. I listen every day. If it is strictly a business decision then progressives must find a way to support this kind of programming.

We are here and we are not going away. The airwaves, like our elections, belong to the PEOPLE, not the temporary custodians of our airwaves OR political power. I am prepared to go to the highest authority to ensure that Clear Channel serves the best interests of the community which they serve.
atthew	Millikin	43204	I don't know where Clear Channel gets its information from, but I for one have made at least two major (over \$500) purchases based on advertisements I've heard on WTPG. It's the only station I actually listen to. If Clear Channel decides to proceed, I will not only NOT listen, but I will find out who the new sponsors are and let THEM know why I'm not patronizing them. This all makes me sick, but I can't say that I'm not suprised. Shame
ue	Amsbaugh	44805	You can try to turn all the radio stations red like you've done in my part of Ohio, but as long as progressive networks like http://headonradionetwork.com exist, we will STILL get the truth out about the criminals of this administration, and we'll gladly take the listeners you'll alienate like you always do!
lichelle	Foster	43224	You're kidding right? You are not going to take away Stephanie Miller from my daily commute down High St. are you? I didn't know the value of talk radio until I found WTPG shortly after my move from Lima, Ohio (no progressive radio there) three years ago, and I listen to WTPG every morning. I never even listened to the radio before until I discovered NPR (WOSU) and WTPG here in Columbus. Is this change being backed by Wal-Mart? I am gonna stop shopping there. I mean come on who will Dave in Columbus (Gahanna actually) send email to? I need more choice in radio, and believe me I wouldn't listen to Laura Ingraham if you paid me to do so. So I guess if WTPG will be gone, then I will go back to listening to WOSU. This is all about the money as usual. and the big corporate
hristopher	Quickert	43202	There are plenty of outlets for Right Wing talk if not far too many. For Clear Channel to claim that they cannot "sell" the progressive format is ridiculous. I will not listen to the garbage that WYTS will certainly promote.

Karen R	Bertrand	43016	This change in programming is calculated and vindictive. Ed Schultz is catching on so fast that Clear Channel felt compelled to moralize and stop his show from being broadcast in Columbus. Stephanie Miller, Al Franken and the weekend programs from Air America are so worthwhile compared to the rest of Talk radio in general that is slanted to the right. <u>Do the right thing - keep Miller, Franken, Schultz on the air daily in Columbus so a different point of view can be heard. To any readers of this email- write your senator and representative to bring back the Fairness Doctrine.</u>
Gary	Mroz	43230	One of the great things about Columbus is 1230 AM, an alternative to the conservative shows you find on other AM stations. Looks like I'll have to turn to the pay services, because free radio in Columbus just won't cut it.
Julie	Geisel	44843	Don't take the best station in Columbus away from its citizens. I listen everyday to WTPG at work as do several of my coworkers. Columbus went blue in 2006 and will support the station as is. I will work actively to boycott any advertisers that use the new station and will influence my family as well. <u>Michael Savage should be in jail for inciting violence as it is.</u>
Dan	Hileman	85306	First - you do not state where this petition will go or how it is to be used. Second - Clear Channel only cares about profit to shareholders. A word of advice to Clear Channel, there is a new person on the block in Congress. They are not going to take your biased crap. So it would be smart to get your act together with keeping the content of this voice of talk radio in Ohio. Or take the pocketbook hit by Congress using this station as an example. Get a corporate clue. It is unethical corporations like Clear Channel to <u>control the public's information for their own gain that causes governmental</u>
David	Buzzee	43015	I love Randi Rhodes!! Please keep her on the air. There already are too few choices in Central Ohio for talk radio - until Air America, we had to listen to religious radio or to right-wing drivel and invective. We need the balance which Air America brings. Thanks for bringing this perspective to Central Ohio, and please keep on bringing it.

Constance	Pillich	45242	Progressive radio is important to the survival of the United States of America. Conservative radio has created the most divisive society since the Civil War. It fans the flames of hate while boring its listeners to death. It editorializes in such a dangerous way. I hope you change your mind, preserve a badly needed alternative point of view, and try to do something good instead of bad for America.
Darryl	Welch	41025	Why doesn't Clear Channel mix the progressive talk shows on the stations currently broadcasting the likes of Rush, Hannity, etc. If the stated goal is "central Ohio listeners will have the opportunity to talk about it on Talk 1230", how does programming featuring hosts that are, in many cases, self-admitted agents of a particular ideology promote that opportunity. Basically, what we have are airwaves filled with propaganda. If progressive formats were promoted, the advertising would needed to <u>support</u> them would follow.

Jim	Pecoraro	11581	A number of months ago I found out that a friend was listening to Michael Savage. As the old saying goes, friends don't let friends listen to racist sexist homophobic liars. First I broke down the lies, with proof of why they were lies and where they could be proven to be lies (with thanks going mostly to Mike Malloy and Randi Rhodes). I was able to point out that by looking at Savage's web site his "jokes" about race women and homosexuals not only wasn't meant to be funny, but was his normal screed of hatred. My friend now listens to Mike Malloy, Randi Rhodes, Sam Seder, Al Franken, Rachel Maddow and Stephanie Miller on a regular basis on radio, via podcasting, or on the internet. So should everybody else if they want news, history, entertainment, and the truth. Switching from a Progressive radio format to a Regressive radio format is just plain stupid.
Georgia	Shankel	44626	
Robin	Nakkula	43016	Clear Channel is, economically, biting off its own nose to spite its own face. This format change will only split its own market for WTVN 610 AM's right-wing audience, and not bring any new ears for advertisers. It will lose the great number of left-wing listeners it has accumulated since the switch to the WTPG format. No wonder I've been hearing the self-placed ads on the air for more advertising salesmen for the stations: it's a desperate ploy to staunch the tide of red ink and vanished advertisers that is coming.
Dan	Dowds	44875	When you have only one option, one voice, one opinion voiced by one side all possible balance is negated. Until 2000 I was a political "middle-of-the-roader". After the corruption and greed of these past 6 years I have had my confidence in my government shaken, have been sickened and embarrassed by the abuse of power both nationally and internationally, and angered by a lack of accountability by our elected officials. A balanced representation of opinion and ideas and options is so important it may be what we need to give America back to ALL Americans. Of the people, by
Michel	Coconis	43202	We need more voices and ideas, not fewer or repeat voices! I'd like progressive radio to EXPAND. Not one more \$ from Clear Channel companies from me and it will be accidental when I look at one of their outdoor billboards even. Keep it alive and be a company that really stands for what America stands for - the very thing that makes such a mega-corporation in ideas even possible!
Dr. Tom	Peet	43230	I am sick of right-wing talk radio and am a big fan of WTPG, the only alternate voice for the MAJORITY in central Ohio. I'm beginning to think that righties are so upset by the political success of Democrats in the last election that they want to shut down truth altogether. This move by Clear Channel stinks, just as it did in Madison, Wisconsin. It's high time to reform ownership of the mass media and this is just the Congress to do it.
Lois	Peplinski	43215	
Debra	Strege	55436	
Angela	Tucker	45005	Please don't take away the Columbus station too! I've lost the station in Cincinnati, but can still (on a clear day) get 1230AM on the way to work. We need a different voice ...there is already PLEANTY of conservative talk radio!!!
Barbara	Taylor	43220	Finally, the "rest of us" get a voice in Central Ohio, and less than 3 years later, you nuke it -- great work. We will boycott every advertiser on any of your stations. Bring back the Fairness Doctrine.
Jeffrey	McKee	43015	It makes no sense for AM 1230 to compete with AM 610 in the central Ohio market by putting on more blow hards from the far right wing. Give the majority in central Ohio what they want -- progressive talk radio.
Ellen	Brady	44264	As a North-East Ohioan I appreciate the value of having multiple points of view on talk radio - my Central Ohio brethren deserve the same! Don't get rid of Air America in Columbus!

ilip	nith	3221	Progressive Talk radio is "educational". Right wing talk radio corrupts democratic values, distorts reality and lies about anyone who disagrees with its dangerous propaganda. The new 1230 format will work against the public's interests and undermine our civic welfare. It is the opposite of education. This is not merely my opinion. It is a matter of fact. Shame on Clear Channel. It is a disgrace to American business.
arla	ilsted	3082	I couldn't believe it when I heard the news-it's frightening to think that the executives at Clear Channel are so wrong headed and unable to appreciate the importance of Progressive talk radio in this market. I love Stephanie Miller and all the rest of them, and I can pretty much guarantee that I will never tune in to another conservative program. Please reconsider and keep WTPG just the way it is.
ancy	lcDonald	3202	PLEASE do not cancel Air America from your radio channel. This is a lifeline for a major portion of your central Ohioans who need to hear more than so-called "information" from hate-mongers in the so-called "right wing." Progressive radio stations give us a balance to the overwhelming right-winger talk shows... believe me, I've driven over 8,000 miles this summer from Ohio to California and back, from the midwest, to the south west to the northwest, and the OVERWHELMING number of stations were full of hate-spewed yelling men who say nothing remotely related to the truth, much less reasoned opinions. This country deserves voices that are diverse and reasoned and debatable. PLEASE do not shut down yet another tiny voice in this divided nation. Please.
ark	hirky	0563	We need radio that is independent of corporate influence so that uncensored news will inform the public. This is essential to our democratic system. Please bring back the Air America format for Ohio and out country. Thanks Mark Shirky

Ruth	Shively	43017	Replacing Progressive Talk Radio with still more Right Wing talkers (especially the likes of Michael Savage and Laura Ingraham) is deplorable. AM-1230 is (was) the only AM station I listen to. If the change takes place, I will no longer do business with any Clear Channel advertiser.
Ethan	Fredric	53719	I don't understand how any media outlet thinks it can convince the populous that progressive talk is not marketable, interesting, or the preferred talk radio for those of us not in the blindly moronic "under 2 % that wants nothing but racist, stereotypical, NeoCon drivel from the Savage O'Reilly radio outlets. Guess what? We made our message happen in Madison, WI, and progressive talk will be victorious again. Ohio showed its strength over the Blackwell scandals, and in the last election, and they will fight this along with the help of non-Ohioans. Shirley	Spellmire	43202	Please consider that we need balance in radio programming. The purpose of issuing licenses to broadcasters is to serve the public. Given the obvious results of the November elections, I would say that Democrats are a large part of that public. Many progressive people, Democrat and Republican, are appalled at the nasty rantings of Limbaugh et al. Please take a stand on fairness. Your advertisers are not all right-wing lunatics. Nor are their customers. Please show that Clear Channel is not the biased organization I keep hearing they are.
Amy	Fredric	53719	Haven't you had enough of ignorance in the White House, our overall government, and the oppressed "free" media of the U.S.? Between illegal wars, Katrina death and strife, misappropriation of funds and no-bid contracts, and suppression of alternative energies (give me a break, we HAD alternative engines in the 90's!), there are more than an overwhelming level of reasons NOT to give up the airwaves. Rovian strategy rivals Nazi propaganda, and we have been losing our freedoms and media. Don't let one more station, one more freedom, nor one more Bush/NeoCon crime go past you. Shut off the TV, stop shopping at Wal-Mart (at all, ever), and turn away from other distractions for five minutes a day, and you'll find the time to FIGHT!!! We did it in Madison, and you can too!!!

John	Butler	3123	There seems to be a concerted effort to remove progressive talk radio from the airwaves. I know that there were efforts to do so in Phoenix, AZ and just recently in Madison, WI. In both cases public outrage prevented the removal of liberal talk radio in those cities. I would like to see the return of the fairness doctrine, which was removed by the Reagan administration in 1987. I hope that the new Democratic majority in both houses can do something about what appears to be an ideological effort to stop the the spreading influence of progressive talk radio. I know that low ratings was certainly not the case in Madison. A key individual in Madison who spearheaded the successful effort there, has offered to help other cities who are in danger of losing their liberal stations to do what she did to save
steve	goodman	3068	I am totally against the new format. Right wing radio is already repented by other stations and others shows. This area needs a balance and with the new format we are losing that balance.
